Community Development

Community rate must meet the following guidelines:

- Not for profit incorporated community organisation, with a certificate of incorporation to be provided; OR
- A community group that is not incorporated and does not generate any income for the group or any individual; OR
- Registered as an income tax exempt charity (ITEC) with the ATO, with evidence to be provided; OR
- If fundraising on behalf of a charity - with all funds raised to be provided to the charity - a letter of support from the registered charity to be provided.

Commercial rate means:

Any activity that generates income from the use of Council owned or managed land that is assessed as not meeting the definition of Community rate.

Standard rate means:

Any activity that does not generate income from the use of Council owned or managed land that is assessed as not meeting the definition of Community rate.

Private Hire means:

A genuine private function that is not open to members of the public.
